Please submit the names of any Law Enforcement Officer/s that you wish to be recognized this year during the Candlelight Vigil. The line of duty death does not have to be from this year. The criteria for inclusion on the list is:

- (a) that the officer is a recognized killed in the Line of Duty death; and
- (b) a survivor (either a family member or co-worker) requests the recognition.

These requirements are an attempt to respect the wishes of those survivors that do not want to "re-open" the tragic loss. Please fax the completed form to: Fred @ 609.522.2531
